

# MAPLE WALK PREP SCHOOL

## Friday 7th July 2023

Wow! We have sailed towards the end of term and packed in a whole load of brilliant events. With the Songwriting Competition, Girls' Football Festival, House Quiz, Dance Spectacular, Cooking at St Claudine's, Art Workshops and Reception Graduation - there has been something for everyone! Thank you for coming to support us over the last few weeks! It has been great to see so many of you. We have more in store next week, with the rest of the school 'moving up' to their new classes and meeting their new teachers. We also have Year 6's Big Show, with 'Charlie and the Chocolate Factory' hitting the stage. And if today's dress rehearsal is anything to go by, it may well be our best production yet. Shout out to the wonderful Ms Fran, Ms Santa, and Ms Hill, who have led the charge! Then, we will top off the year with some crafts and a carnival before we say farewell to our leavers and break for summer!

## News & Updates

### LAMDA

Congratulations to everyone who took their LAMDA exams back in June! We just had the results back and received absolutely amazing results across the board!

Well done everyone!

Miss Fran

- Misha L passed his singing exam with Distinction - Grade 5
- Evie S passed her singing exam with Distinction - Grade 5
- Carmen B passed her singing exam with Distinction - Grade 5

### Piano

Well done to Marlo for his Piano result - Grade 3 in which he achieved a Merit. He has worked so hard for this. Thank you to Chad Lelong.

Good luck wishes... to Max M. He will be taking his Grade 5 exam on the 15th of July and I have no doubt it will go well.

### Singing Club

Well done to all the children this year. You have all been amazing.

### Clubs, Clubs, Clubs

Parents, make sure you check your emails and see what is on offer for Autumn Term at Maple Walk!

... the rumours are true, there is a late care option with 5:30pm collection :)

## Reception

As we come to the end of a wonderful year in Reception it has been lovely to reflect on all the fun that we have had, the memories we have made and how much we have grown. We were so excited about meeting our new teachers today and finding out which class we will be in next year, we can't wait for all the new challenges that await us. We loved sharing our graduation with our families and friends this morning and sharing our favourite memories of the year. Our teachers are so proud of us - we really are ready for Year 1! Happy Summer everyone!

## Year 1

This week in Year 1 we have been writing letters to our new Year 2 teachers, telling them all about ourselves and what we hope to achieve when we are in Year 2. We have also begun learning about the time and have been practising reading o'clock, half past, quarter past and quarter to. We had a lot of fun making our own head dress's for next week's carnival and we can't wait to show them off. Year One were lucky enough to have a guest Teacher, Mr Zachary, teaching our geography lesson where we learnt all about the United Kingdom. From all the teachers in Year 1, we'd like to thank the parents and children for making this year so special!

## Year 2

Our final full week in Year 2 is over! It has been a lovely week with lots of fun activities. We wrote postcards in English and can't wait to write some over summer. We have enjoyed studying and interpreting pictograms in maths. We have been learning about internet safety in computing and how to keep safe online. We loved seeing the Dance Extravaganza on Wednesday, everyone was amazing! In History we had such a fun time dressing up as warriors to discover what they wore. We had a great assembly all about carnival on Monday and we are looking forward to showing off our headdresses next week. We had lots of fun at our final PE in the park too. See you next week for end of term fun!

## In the upper school...

### Year 3

We have had a busy week completing activities and consolidating their learning (which will continue next week too!). In Mathematics, many surveys have been taken then turned into pictograms and bar charts. In English, lots of research about plastic pollution has taken place after completing the book *One Plastic Bag* by Isatou Ceesay and *The Recycling Women of The Gambia*. We are looking forward to the activities next week including dressing up for the Carnival Parade on Tuesday.

We were so impressed by everyone in the Dance Spectacular on Wednesday and Year 3s took our breath away by their fantastic performance and teamwork! We hope you all have a wonderful summer holiday after all your hard work this year! Well done to you all!

### Year 4

The children loved their last forest school session of the year. They built dens, whittled, made jewellery and hung out in the hammock! This week they have continued to produce some fantastic writing - this time non-chronological reports on sea turtles. The class have also been very creative and produced a bright and colourful array of carnival gear. We are all looking forward to carnival next week which will be a fun way to end an absolutely brilliant year! We also want to say goodbye to Oliver - we will miss him immensely and wish him all the best in his new school.

### Year 5

This week Year 5 has focused on collaboration. First, they had team challenges to complete Geographical puzzles of the British Isles. Then, the children took part in the Song Writing Competition, performing their own compositions to a panel of judges. It was evident how much effort had gone into their performances - and a big well done to Sandali, Willa and Ela for their piece, 'Shadows' which was the overall winner. Finally, we were very impressed by their super teamwork at St. Claudine's, where they baked delicious mini pizza pinwheels. So delicious, we're not sure how many will make it home!

## Year 6

It was great to see all our friends at school to our final Business Enterprise fair which was a roaring success despite the occasional drop of rain! We had worked hard to fine tune a range of factors to maximise our customer experience. The profits we shall be paying over to our chosen charities certainly demonstrate the great power of our entrepreneurial spirit! We really enjoyed our final Maple Walk general knowledge quiz. We loved our extended workshop with Kate where we used the work of Mona Hatoum and William Kentridge to explore the idea of journeys and made maps about beginnings and endings. We used drip ink techniques and talked about the themes of change, loss, resilience, hopes and dreams, and personal strengths. We were delighted to perform our end of year show to our younger friends and look forward to welcoming our parents to the show next Monday evening!

## French

There are two games which the Maple Walk children love to play as a treat in their last French lesson of the term and those are 'Le voleur' (The thief) and 'Les quatre coins' (Four corners). We had lots of fun!

## Cooking Club

In Cooking Club our chefs have been very busy with new sweet and savoury recipes. They celebrated the end of the term (and the school year) with ice cream and games!

## Art Club

During portfolio club the children were inspired by the work of collage Artist Megan Coyle. They created a still life using collage and black acrylic paint.

# Sports and PE

Some of our amazing Y3-4 girls attended the Girls Football Festival last Tuesday at Kingsbury High School. They all had an amazing time improving their skills, having fun all together in an event run by QPR coaches.

### Shout-out!

What an amazing year we have had. A huge congratulations to every single pupil from Maple Walk. All of you have been amazing during lessons, competitions and fixtures.

We are delighted to announce that Maple Walk has achieved the SCHOOL GAMES Gold mark award for the 2022-23 Academic Year. A special thanks to all pupils, families and staff who have helped, without you it wouldn't have been possible.

Two students from Y5, Alex and Walter are going to be part of the Brent football squad for next 2022-23 season. They have been training on Saturdays and have been selected between more than 100 players. We are very proud of you.

**MULTISPORTS HOLIDAY CLUB**  
Mr Derqui ← @ Maple Walk School ← Mr Connors
